

Fabiha Usman

Frontend Developer | React.js Developer

+91 9560665513 fabihausman2626@gmail.com GitHub LinkedIn Portfolio

Summary

Frontend Developer with hands-on experience building responsive web applications using React.js, JavaScript, HTML5, CSS3, and Bootstrap. Skilled in building reusable UI components, DOM manipulation, responsive design, REST API integration, and version control using Git/GitHub. Passionate about building clean, user-friendly interfaces and continuously strengthening problem-solving skills through Data Structures and Algorithms.

Education

Jamia Hamdard University Aug 2024 – May 2027
BCA (Bachelor of Computer Applications), Delhi

Jamia Urdu Aligarh Apr 2022 – Mar 2023
Senior Secondary (Class XII)

Technical Skills

- **Languages:** JavaScript (ES6+), C++
- **Frontend:** HTML5, CSS3, Bootstrap, React.js
- **Core Skills:** Responsive Design, DOM Manipulation, REST API Integration, UI Debugging
- **Tools:** Git, GitHub, VS Code

Relevant Coursework

- Web Development
- Object-Oriented Programming
- Database Management Systems
- Data Structures & Algorithms

Projects

Todo App | React.js, JavaScript | Live | Code

- Built a responsive task management application with CRUD functionality using React.js.
- Implemented reusable components, task priority controls, and a clean user-friendly interface.

Portfolio Website | HTML5, CSS3 | Live | Code

- Developed a responsive personal portfolio website showcasing projects, technical skills, and contact information.
- Designed a modern dark-themed interface with responsive layouts, hover effects, and downloadable resume functionality.

Drum Kit Web App | JavaScript | Live | Code

- Developed an interactive web app using JavaScript with real-time keyboard and mouse event handling.
- Used DOM manipulation to provide visual feedback and improve user interaction.

Certifications

- **DSA 3.0 (C++ & Java) - Learyard** May 2025
- Solved Data Structures and Algorithms problems covering arrays, linked lists, stacks, queues, trees, and graphs using C++.

Soft Skills

- Problem-Solving, Attention to Detail, Team Collaboration, Adaptability
